

# BRIGHTON MARATHON 2012

## Book your FREE\* place now!

Sunday 15th April 2012: Brighton & Hove

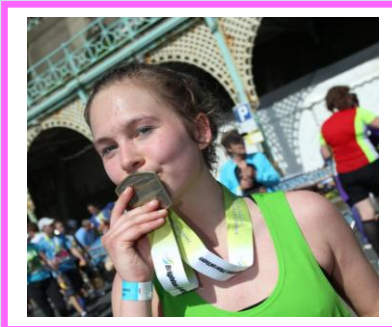

Support your local charity One to One Children's Fund at the Brighton Marathon 2012. The course is generally fast and reasonably flat, taking in the downs, the glorious coast and the sights of Brighton including Brighton Pavilion and Preston Park all in the name of charity.

All you have to do is:

- \*Raise a minimum sponsorship of £250 and your place is free.

You will receive:

- A fundraising pack containing useful tips and advice, information about the charity and additional fundraising support to help you reach your target
- Support on setting up your Virgin Money Giving page

By supporting us you will be helping rebuild the lives of children, who are innocent victims of poverty, disease and conflict. We work hand-in-hand with communities to remedy and prevent the adverse effects of HIV/AIDS and trauma. So dust off those trainers and get involved!
